

# International Collaboration Grant

# Introduction to OGE

## Four UM Units within OGE

- Intensive English Program
- Office of International Programs
- Study Abroad Office
- US-Japan Partnership Program

## Partnership with UM

- Ole Miss International

# OGE - Vision and Goals

Develop students, faculty, and staff as global citizens, aligned with the Flagship Forward Strategic Plan

- To foster growth of collaborative partnerships within the university community, state, country, and the world
- To facilitate and support programs, activities, and collaborations that increase our community's intercultural competence

# International Collaboration Grant

From August 2017 - Present

- 29 Grants Awarded
- Outcomes:
  - 4 study abroad programs (1 with UMMC in Summer 2019)
  - 2 MOUs
  - Guest lectureships
  - 1 lecture at UM
  - 2 conferences at UM
  - Internship opportunities for UM students in the MENA (forthcoming)
  - Individual Research Opportunities

# Purpose

- To develop or enhance current international connections between UM faculty and their counterparts in academic/research institutions abroad with the hope that a focus on areas of mutual interest will lead to expanded international collaborations

# Eligibility

## Application:

[global.olemiss.edu/forfacultyandstaff/](http://global.olemiss.edu/forfacultyandstaff/)

- Open to all tenured and tenure-track faculty pursuing international research, collaboration, and technical assistance initiatives. While both populations are eligible, preference will be given to untenured tenure-track faculty.
- To be eligible, faculty must identify and commit to making presentations, writing articles, and/or other scholarly activities as a result of the project enabled by the International Collaboration Grant, thus expanding UM's global footprint.
- Faculty members may not be granted the ICG in consecutive cycles though exceptions could be made depending on the availability of funds.

# Guidelines

## Awards

- Up to \$4,000 per award
- Strengthened with matching support from another UM unit
- ORSP Travel Grant
- May be funded in an amount less than requested

## Priorities

- Proposals with existing partners to create strategic partnerships
- Travel must be necessary to the articulated output of the research collaboration
- Conference participation is not the primary goal

## Timeline

- Applications considered August 1 - July 31
- Complete applications received by the 15th of the month will be reviewed by the 25th of the same month
- For travel beginning in April 2020, applications must be received by March 15, 2020
- Early applications encouraged in case funds are exhausted early in the yearly cycle

# Criteria and Application

## Criteria

- Quality of the proposal
- Importance and strategic fit
- Partnership development
- Sustainability

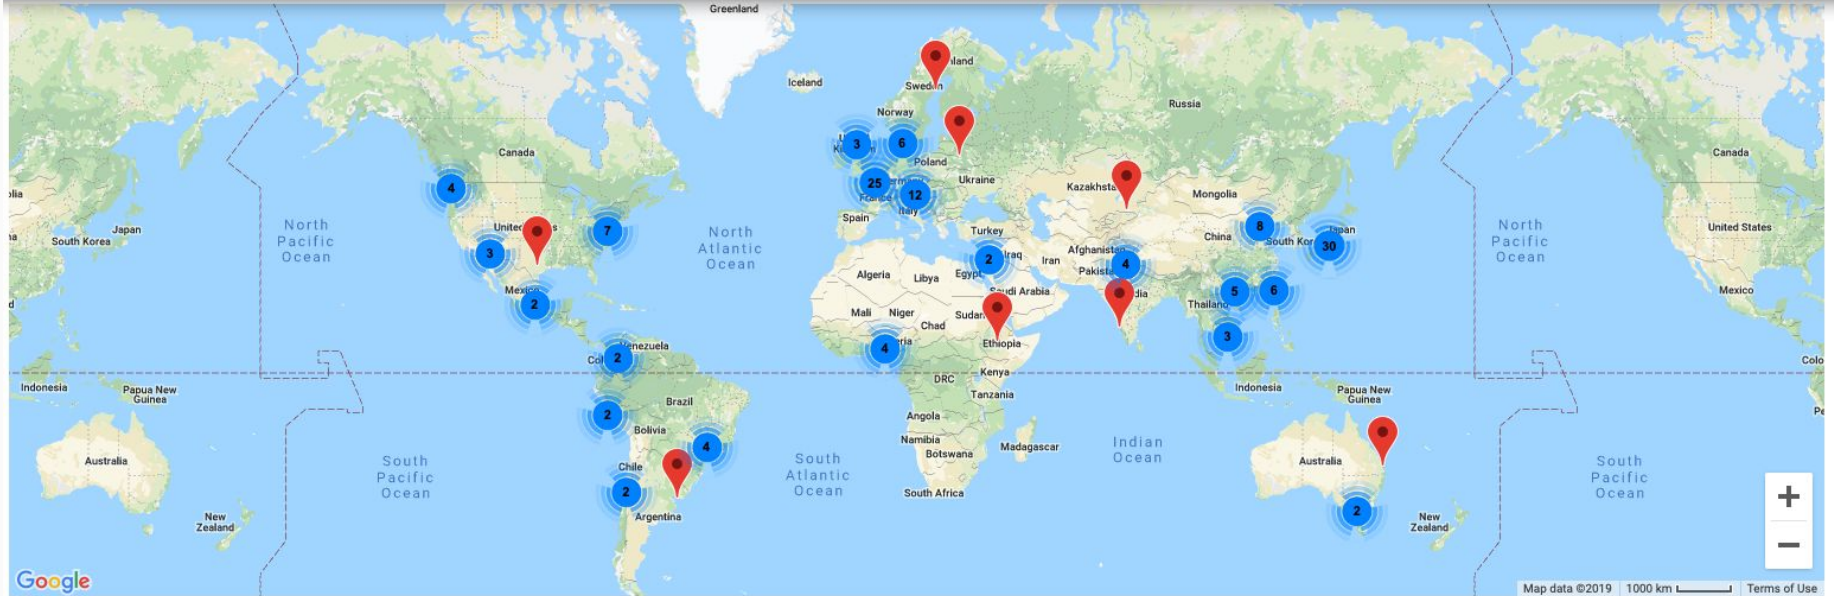

## Application

- Cover page
- Project summary and rationale
- Statements from partner institution and UM Dean
- Budget
- Participant CVs

# Agreements Database - Searchable and includes online proposal for new agreements

## The University of Mississippi - Global Footprint

Location

A blue-tinted landscape photograph of a canyon. In the foreground, two people are sitting on a rock ledge on the right side, looking towards the camera. The canyon floor is filled with winding, dry riverbeds. In the background, there are layered rock formations and mountains under a bright sky. The overall scene is bathed in a deep blue light, with a bright sun flare visible in the upper right quadrant.
